Issue 39

Spring 2009

New Product - MD90FF32

Highest Voltage Diode, Smallest Package

The M90 family of 3.2kV is available in two recovery times, and two lead configurations.

Features include -

- 3.2kV Vrwm
- 250mA to 350mA Io
- 30ns to 70ns Trr
- J-lead or Gull-wing
- DO-214 or DO-215 package
- RoHS Compliant

The M90s are epoxy molded diodes featuring high voltage in a very small package. Packaging is industry standard DO-214 and DO-215.

Nominal physical dimensions are 0.175" length x 0.150" width x 0.130" height. (4.45mm x 3.81mm x 3.30mm).

Designed for ease of use with automatic insertion equipment, tape-and-reel packaging is available.

Other features include

- Low Junction capacitance
- Excellent Thermal Impedance

For more information, contact Sales or Engineering at 559.651.1402, or visit the website - <http://www.voltagemultipliers.com>.

Trade Shows

VMI attends several Trade Shows throughout the year, including

- Photonics West – San Jose
- APEC - Applied Power Electronics
- SPIE - Defense+Security
- Pittcon
- Electronica (held once every two years)

We also support PCIM Europe.

Daniel Deschenes at the Protec GmbH/VMI booth at 2008 Electronica show held in Munich Germany.

"When things get weird, the
weird turn pro."
– Hunter S. Thompson

Quality Circle

Congratulations to the following graduates. Certification is valid for two years.

NEW ARRIVALS

Michelle Vargas was born to Blanca Nava on November 17, 2008. Michelle weighed 7 lbs., 3 ounces and was 19 inches long. Congratulations to Mom and Dad!

2009 SCHOLARSHIPS

The 2009/2010 VMI scholarship application & guidelines are available on the intranet, or from your supervisor.

Applications are due May 1, 2009.

2009 VMI'S RELAY-FOR-LIFE-TEAM

For the past 15 years, VMI has participated in the American Cancer Society's Annual Relay-For-Life. This year's team has already begun fundraising events. Last year the team rose over \$1200 from nine events. Look for Frito boat sales, nachos sales, salad sales, and more. Thank you for your continued support of Team VMI!

WATT'S HAPPENING NEWSLETTER

Beginning with the next edition, Watt's Happening will move to a tri-annual publication. The new issue dates are listed in the table below.

If you would like to contribute a graduation, promotion, birth, engagement, wedding, etc. please submit it at least ten days before the publish date.

Your contributions are greatly appreciated.

Issue	Announcement Due
Aug 2009	July 24, 2009
Dec 2009	November 12, 2009
April 2010	March 17, 2010
